## **Traditional Trades and Occupations In George Town World Heritage Site**

### **Introduction**

The following criteria for a business or cottage industry to be included in the Traditional Trades Inventory were set as a result of discussion during the researchers' workshop, and were incorporated into the survey questions:

1. More than 50 years old (founded in 1962 or earlier) – recommended for inclusion
  - 25-50 years old (founded 1963-1988) – can be considered for inclusion
2. Inherited from family – recommended for inclusion
3. Special because it fulfills one or more of the following intangible cultural values:
  - Rare in local context
  - Involves manual skill
  - Involves traditional handicraft
  - Associated with traditional customs
  - Associated with traditional observances or rituals
  - Associated with traditional festivals
  - Needs specific traditional tools
  - Needs specific raw materials
  - Supplies to specific market
  - Other reasons (to be specified)
