

Overview and Objectives

The implementation of the Mongolia-ICHCAP Joint Project of “ICH Documentation Workshop and Pilot Filming” in Mongolia has been carried out from May to August, in 2013, with collaborative efforts of UNESCO Accredited NGO in Mongolia – Foundation for the Protection of Natural and Cultural Heritage (FPNCH) and International Information and Networking Centre for Intangible Cultural Heritage in the Asia-Pacific Region (ICHCAP).

This Joint Project has been initiated with regards to the i) lack of capacity in Mongolia in the professional experiences and expertise of ICH audio-visual documentation and production of films and documentaries utilizing the latest technologies and methodologies, and involvement of documentation experts and ICH experts to work together, and ii) based on the results of and the continuation of the joint efforts to safeguard the intangible cultural heritage, efforts which took place between 2009 and 2012, with aims to improve the legal system to safeguard ICH, to safeguard, restore and digitalize the ICH using modern technologies.

The Project Objectives were:

The ICH Documentation Workshop and Pilot filming exercises aimed at:

- to conduct a Workshop with regards to share experiences and information on ICH Safeguarding through ICH documentation and dissemination in Mongolia and Korea;
- to improve capacity of Mongolia, its personnel by applying the professional methodologies and techniques discussed through the Workshop meeting and Pilot filming;
- to practice the Mongolian and Korean collaborative Pilot filming exercises; and
- to gain expertise and strengthen capacity building at a practical level for ICH documentation in Mongolia, and to identify future challenges and collaboration.
